DATA PROTECTION

Under the General Data Protection Regulations 2018, all the information the Association holds must be correct and current. To this end the following policy is applied:

All personal data is kept by the Chairman, Secretary, Membership Secretary and the Treasurer in three modes:-

1. On Computer in a password encrypted folder
2. Backed up on a flash drive which is stored in a locked cabinet
3. As a paper document kept in a folder also stored in a locked cabinet

Personal data will **not** be passed on to any other organisation, group or individual without the expressed permission of the individual concerned.

At any time, you may request for your data to be removed from the Association's database and this will be done within three weeks of us receiving the request.

On leaving the Association, all paper data relating to members will be shredded or burned. Data kept on a computer may be retained for historical purposes.

In order for us to be able to function efficiently as an association, please sign below to confirm that you agree to us holding the information you have entered on this Application Form in accordance with the above stated policy.

I hereby give my consent to the RAF & Defence Fire Services Association keeping my data as described and **do/do not** (delete one) agree to my phone numbers and email address being made available to other members of the Association:
